	Mr. David Manalon (TIDH)	Nurse

Challenges:

1. Weak rabies surveillance system
2. Poor implementation of RA 9482 (Philippine Rabies Act)
3. Lack of budget for anti- Rabies PeP
4. Not all surveillance officer are trained on IBCM at local government level
5. No continuous advocacy on responsible pet ownership and rabies awareness
6. No available diagnostic test in the island
7. Not implaced serviced delivery network for bite cases and immediate suspected rabies cases esp in the island municipalities
8. One health program is not yet integrated in the island animal health sector
9. Poor animal vaccination coverage
10. Lack of manpower from animal sector

Thank You and Good Day!

Maraming Salamat Po!
